

TELEPART MOBILITY SUPPORT: GENERAL TERMS AND CONDITIONS

1. GENERAL

The Finnish Institute in London (hereinafter referred to as "Institute") awards TelepART Mobility Support for public performing arts events. The support is available for professional artists/groups (hereinafter referred to as "Performer") and event organisers (including venues or festivals, hereinafter referred to as "Organiser"). The applicant (hereinafter referred to as "Applicant") may be the Performer, the Organiser or a third party, such as an agent, manager or producer, on behalf of the Performer or Organiser.

The Institute shall select, at its own discretion supported by the evaluation of external industry experts, the recipients and the size of the support.

In order to secure TelepART funding the Performer and/or the Organiser must be based in Finland, in the United Kingdom or Ireland, and the performance(s) must take place in Finland, the UK or Ireland, representing collaboration between the respective areas. Furthermore, both the Performer and the Organiser need to demonstrate a clear commitment to the production.

Funding is granted for actual travel, accommodation and shipping costs (hereinafter referred to as "Travel Expenses"). The funding, granted upon application, is limited to a maximum of 1000€ and must not exceed 50% of the total production or tour costs (including travel, accommodation and shipping costs, performance fees and other performance related non-fixed costs, including VAT).

The Performer must receive a reasonable compensation for their work.

2. TRAVEL EXPENSES ELIGIBLE FOR TELEPART FUNDING

Travel expenses eligible for TelepART funding include all reasonable travel and shipping costs (including flight and train tickets, local public transport, taxis, car hire and fuel costs as well as mileage if using own car, subject to a maximum of 0.30€/km) as well as accommodation expenses (such as hotels, B&Bs and Airbnb).

TelepART Mobility Support cannot be used to cover per diems, meals, performance fees or other production-related expenses.

3. PAYMENT

Once the grant has been approved, the TelepART Mobility Support is paid by a bank transfer to the bank account given by the Applicant, up to the amount granted based on the application. A declaration of expenses must be submitted within one month of the performance, accompanied by original receipts or scanned copies of receipts. For online travel and accommodation reservations, payment confirmation by e-mail is acceptable.

In case the Performer is also the Applicant, he/she can request payment in advance. In such an instance the Applicant is obligated to make the declaration of expenses in the manner described above.

If the total amount of the incurred expenses is lower than the advance payment, the Applicant must return excess funding to the Institute. The Institute will issue an invoice to the Applicant for this purpose.

4. COMMUNICATIONS AND MONITORING

Performers and Organisers awarded the TelepART Mobility Support by the Institute pledge to mention the funding, and, where applicable, to feature the TelepART logo on their online and printed communications.

The Applicant undertakes to respond to the monitoring questionnaire sent by the Institute, and authorises the Institute to retain the contact details and other information submitted as part of the TelepART Mobility Support application, to be used in the Institute's communications and for the purposes of evaluating the effectiveness of the TelepART programme.

The Applicant authorises the Institute to use the images, submitted along with the application, in its communications. The Applicant is responsible for obtaining appropriate copyrights and permissions.

The Institute shall store and handle personal information submitted by the Applicant in line with the relevant legislation on personal data.

5. THE PRODUCTION

The Institute shall under no circumstances accept responsibility for the production or execution of the event subject to the funding application. The Applicant undertakes to carry out the production and performance at their own risk. TelepART Mobility Support does not constitute an employment or service contract.

The Applicant shall be responsible for ensuring the production is compliant with local legislation. In the event of clear irregularities, for which the Applicant is responsible, the Institute reserves the right to withdraw already granted funding and to require funding to be returned.

6. CHANGES AND CANCELLATIONS

The Applicant is required to keep the Institute informed of any changes to the production, particularly changes that are relevant to the communications relating to the production or the terms and conditions under which the funding has been granted.

In the event that a scheduled performance is cancelled due to illness or force majeure, the Applicant must immediately inform the Institute of the cancellation. The Applicant undertakes to immediately repay any funding paid in advance that remains unused.

7. APPLICABLE LEGISLATION

Finnish law shall apply to all Finnish Applicants for TelepART Mobility Support. In other cases, English law shall apply.
